Hollywood is more hands-on than ever when it comes to going green! Stars like **Molly Sims, Paula Abdul** and **Rebecca Gayheart** are fans of the organic and vegan hand, foot and nail products from eco-friendly brand SpaRitual. \$9, Sonya Dakar, (888) 647-6692.

Other health-conscious companies like Dr.'s Remedy are turning Tinseltown on to safer spa products, too — their polishes are even packed with antifungal ingredients. \$12, remedynails.com.
